Phase II of Pilar Villas Resort is a new development of 6 contemporary bespoke designed detached villas located a short walk from all the amenities in Pilar de la Horadada. Construction of these brand new, 3 bedroom, 2 bathroom villas will commence mid 2016, to complete in 2017. The living space is all on one level, with a private pool, landscaped garden, off road parking and external staircase taking you upto a vast solarium with stunning sea views. With an excellent build quality and each property individually designed to the new owners requirements. Prices €250,000 to €329,000.
